IT requirements

For all of our courses, a laptop computer and good working knowledge of IT will be a necessity. This is for tasks such as project research, the production of presentation materials and sourcing. Our courses also include training in the use of CAD software as part of the programme. Students will mostly be working with their own laptop computers, but also with the desktop computers situated at our London campus. Consequently, prospective students should ensure that they understand the operation of their own laptops and can confidently carry out certain basic tasks indicated below as minimum. Please indicate that best describes your current IT skills or knowledge.

Computer feature	Basic or above skills	No skills or knowledge
Digital file management		
Word processing		
Web browsing		
Spreadsheets		
CAD and 3D modelling		

Proficiency in English (For those whose first language is not English)

Applicants must provide proficiency of English language unless English is their first language. We typically require at least CEFR level B2 (i.e. minimum 6.5 in Academic IELTS for UKVI) for all programmes unless you fall in exempt category defined by UKVI. If you require student visa, you must prove your English proficiency by taking UKVI approved English test unless exempt.

Please indicate from the following that best describes your circumstances

- ☐ I require student visa to study and already meeting language requirement.
- ☐ I require student visa to study but currently not meeting language requirement.
- ☐ I do not require student visa to study and already meeting language requirement.
- ☐ I do not require student visa to study and not meeting language requirement.

Personal Statement

In approximately 300-400 words, please provide a reflective statement which describes your background and why you would like to study with us. Please give us a little detail of roles which you have recently worked/undertaken an internship/work experience/work shadowing. Explain how you worked with others, how you developed within your role, your achievements, coping under pressure, your skills/competences (for example: time management, communication etc.) and how these skills may transfer to the learning environment of your chosen course. If there is insufficient space to complete your answer, please continue on a separate sheet of paper. Please provide additional details if suitable to support your application.

Reference - Academic is preferred, or professional/character if this is not possible. Please arrange for one referee to complete and return the confidential referee form directly to the College as soon as possible. A delay in Admissions receiving a reference can delay the assessment of your application. Download the reference form [here](#).
